

WRANGLER
UNLIMITED

Connect with the world from the ground up.
Explore with the unique capability, comfort
and technology of jeep® and enjoy a revealing
point of view.

Let the journey begin...

**WRANGLER
UNLIMITED**

IT'S A WIDE-OPEN WORLD WITH
JEEP® WRANGLER

SAHARA

Open up a world of off-roading adventure with the Jeep® Wrangler Sahara. The Trail Rated® Jeep® Wrangler is open-air freedom personified. From downtown to the back woods, there are no limits except your imagination.

MOAB

The Moab™ Edition is for off-road zealots who want a turnkey rig that can tame the famed trails of Moab and beyond. Its amped-up capability and concentrated dose of creature comforts are a winning combination.

RUBICON

Fear no terrain with the Jeep® Wrangler Rubicon. With 17-inch wheels & the strength and added clearance of solid Dana® front 44 axles, you're equally at home on the highway or up a mountain.

BE SEATED

Wrangler's new interior seat fabrics and redesigned seats stand up to all kinds of sitting down. There's more cushion for bottoms and backs, giving you more stamina to keep on going.

SURFACES

Wrangler loves a spraydown. Go out and have some good, dirty fun, then grab the hose, remove Wrangler's drain plugs, rinse, and repeat

WE'VE GOT HEART

The Pentastar 3.6L V6 engine with Variable Valve Timing (VVT) delivers the power to match Wrangler's legendary brawn. Boasting 285 horsepower with 260 lb-ft of torque, this efficient powerhouse is cast from lightweight aluminum and sips regular-octane gas. Electronic Throttle Control (ETC) makes driving over rough terrain in 4LO mode smoother.

ROCK-TRAC® 4WD SYSTEM

At the heart of the masterful capability of Rubicon® beats one of the world's foremost four-wheeldrive systems. It delivers extreme rock-crawling ability, thanks to the 4:1 low-gear ratio. Rock-Trac's low crawl speed makes it easy to ascend or descend sharp inclines and to crawl over obstacles.

ALL TURANE ALL WEATHER ALL SEASONS

The Trail Rated® fortitude of Jeep® Wrangler helps you navigate the world and its worries. On the road or on the trail, Wrangler works to safely get you through the challenges Mother Nature sets before you.

(1) Based on Ward's Small Sport/Utility Vehicle segmentation. (2) Do not attempt water fording unless depth is known to be less than 30 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (3) Be sure to follow all instructions in Owner's Manual for removal of top, doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (4) SiriusXM service requires a subscription, sold separately, after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of the trial subscription, the plan you choose will automatically renew and bill at the current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at siriusxm.com. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous United States, D.C., and P.R. (with coverage limitations). SiriusXM Traffic available in select markets. See siriusxm.com/traffic for more information. Sirius, XM, and all related marks and logos are trademarks of SiriusXM Radio Inc. (5) Phone must support Bluetooth Phone Book Access Profile (PBAP). (6) Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. (7) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (8) The Advanced Front Air Bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly.

ADVENTURE AWAITS...
